### Requirements for C1

- Considering the limited time available, it will be not possible to test the whole modules. So, trainers (project partners responsible for the training sessions) are invited to organize their session(s) including:
- an overview of the module (theoretical part)
  - some practical activities to be carried out in groups.

Please use the ppt project template available [here](#)

- Each National Team is advised to bring at least one laptop.
- Trainers (project partners responsible for the training sessions) are advised to bring any specific material to be used during the training (e.g. colored paper, post-it notes, markers etc.)

- Trainers (project partners responsible for the training sessions) are advised to share in advance any material (templates, documents, links etc.) that will be used during the training.
- Each Participants is asked to provide info about any allergies and dietary requirements by the online meeting scheduled for next 3.09.2021 at 16,00 CET.
